EMERGENCY MEDICAL AUTHORIZATION

The purpose of this section is to make it possible for parents and guardians to authorize the emergency treatment for children who become ill or injured while under the program's authority, whenever parents or guardians cannot be reached for the purpose of giving consent for such treatment. Such authority is necessary to overcome legal obstacles to the provision of such treatment when all reasonable attempts to reach parents or guardians have failed.

I, the undersigned, hereby give my consent, in the event of any emergency in which my child requires medical care. I authorize the Summer Bandura Program 2021 and its staff to act for me, and to obtain for them whatever medical treatment the staff and medical professionals in their best judgment deem necessary and appropriate for their care and treatment, including, but not limited to, whatever medical, surgical, or dental examination, diagnosis, and/or treatment is deemed necessary.

This authorization does not cover major surgery unless the medical opinions of two other physicians, concurring in the necessity for such surgery, are obtained prior to the performance of such surgery.
